

**“From Data to Decisions,
Powered by AI”**

4th Data Science & AI Summit
DATA SCIENCE WEEK

Radisson Blu Hotel, London

01 – 02 October, 2026

FINAL AGENDA

**Hot
Conference
Topics**

- **Beyond LLMs: The Next Generation of Generative AI**
- **Multi-Agent AI Systems**
- **Autonomous & Adaptive AI Models**
- **Human Computer Interaction**
- **AI in Finance & FinTech, AI in Healthcare & MedTech**
- **Ethics, Governance & Policy**
- **Human-AI Collaboration & Interfaces**
- **AI in Robotics & Automation**
- **AI & Cyber Security**
- **MLOps, DataOps & AI Governance**
- **Digital Transformation**
- **Women in AI & Tech**

[**https://datascience.thepeopleevents.com/**](https://datascience.thepeopleevents.com/)

Attendee Demographics

This year, the summit will focus on *real-world AI applications, generative AI, data strategy, AI governance, and digital transformation*, with an emphasis on practical insights and leadership-driven discussions. This is an in-person forum, focused more on meaningful discussions and networking rather than a large-scale exhibition.

Roles & Seniority

C-Level Executives	20%
Directors & Heads	25%
Data Scientists & Engineers	20%
AI/ML Leads & Architects	15%
Product & Strategy	10%
Consultants & Specialists	10%

Geographic Representation

United Kingdom	40%
Europe	35%
Middle East	15%
North America & Asia	10%

Types of Organizations

Enterprises	25%
Mid-sized Companies	20%
Startups/Scaleups	20%
Tech Providers	15%
Consulting Firms	10%
Other Industries	10%

Attendee Demographics

Industries Represented

IT & Software	25%
Financial Services	15%
Healthcare & Pharma	15%
Manufacturing	10%
Retail & E-commerce	10%
Energy & Utilities	10%
Telecom	8%
Consulting	7%

EXHIBITION & SPONSORSHIP OPPORTUNITIES

The summit offers premium visibility for brands looking to connect with enterprise buyers, decision-makers, and high-value partners.

WHY ATTEND?

- Meet 500+ senior professionals from banking, manufacturing, retail, energy & tech
- Discover enterprise-ready AI solutions from global exhibitors
- Explore cutting-edge industry case studies for real ROI
- Learn from world-class speakers and panelists
- Build partnerships, generate leads, and drive business growth
- Connect with startups, investors, and emerging innovators
